Reach IEEE-Eta Kappa Nu students, the brightest students in electrical and computer engineering and allied fields in the world.
IEEE-HKN is dedicated to encouraging and recognizing academic and professional excellence, impeccable character and the positive attitude needed to lead and serve others. IEEE-HKN develops promising young professionals into resilient, collaborative, global citizens and is with them through every step of their professional journey. Your company has an opportunity to meet, recruit, and interact with this select and prestigious audience. 

IEEE-HKN virtual events attract over 300 attendees, representing more than 85 universities.

It has been a great experience working together with IEEE-HKN to organize learning opportunities for the student chapters through technical workshops and training. We are able to work closely with some of the most talented and motivated engineering students that can be found nationwide. The organization is such a valuable resource for students and industry.

MARK EASLEY, Texas Instruments University Program

Engage with IEEE-HKN if you are looking for recent, high-potential Engineering and Technical talent or HKN alums.

JOSEPH SLEVIN, Talent Acquisition Advisor, Southern California Edison

If you are looking to hire interns, entry level positions, or top-level young professionals (including graduate students), IEEE-HKN makes it easy for you.
More Than Just GPA
Beyond advanced technical skills, IEEE-HKN students possess the highly desired qualities of leadership, communication, and presentation skills. Their impeccable character and positive attitude are assessed by faculty and peers and are equally as important as their grades.

IEEE-HKN Students performed 600,000+ hours of community service in 2020-2021.

1,500+ service activities completed by the Chapters including programming for STEM and K-12 education.

The IEEE-HKN designation is a life-long designation—once IEEE-Eta Kappa Nu, always IEEE-Eta Kappa Nu.

About 3,000 students are inducted every year.

More chapters are started every year.

Our students join the ranks of some of the world’s greatest minds.

COVID taught our organization how powerful bonding time was. Our chapter learned we were a resilient group capable of powering through many obstacles such as only having access to virtual events. Our organization was able to design and host virtual office hours and review sessions, social events, and company info-sessions. We saw many officers rise up as leaders and take ownership in coming up with their own new initiatives to replace the in-person events from previous semesters.”

The HKN Experience (HKNx) is IEEE-HKN’s premier professional development and networking event focused on emerging technologies and their applications, and inspiring students and young engineers to become the next generation of engineering leaders. This is your invitation to be a thought leader as we address workforce development, critical skills knowledge, and the technical challenges engineers need to be prepared to meet. Leverage the power of our new, interactive, one-stop event platform to get the most out of your sponsorship. Our online experience features a reception area; an event stage; custom booths in the Expo Hall for “Power Hour” technical conversations and small-group networking; attendee profiles; interactive networking, and embedded chat and video calls. It is mobile friendly and you can schedule meetings and interviews without having to leave the platform. You will receive conference analytics and tickets to attend all sessions.

The Annual IEEE-HKN Student Leadership Conference (SLC) is a time-honored tradition that brings together leaders and members from HKN Chapters around the world. This three-day event will be held in Charlotte, North Carolina, and features tracks for leadership training, faculty advisor programming, technical presentations, professional development, labs, workshops, and a career and graduate school fair.

This is a unique opportunity for industry, technical societies, and graduate schools to interact with leaders and members from HKN Chapters around the world. The program is designed to give sponsoring the ability to present, interact, recruit, and present to the HKN student community of top undergraduate juniors and seniors and graduate students. We expect 300 attendees from 80 universities from around the world. The program is designed to give sponsors the ability to present, interact, recruit, interview, and engage in technical discussions and career conversations.

Sponsorship opportunities can include an exclusive 50-minute presentation, participation on a panel, a 50-minute lab session, or sponsorship of the Friday evening dinner or Saturday evening Awards Banquet at the NASCAR Hall of Fame. The event includes a Recruitment Fair on Saturday, October 29. A resume book of all attendees’ CVs will be produced and shared with all sponsors.

Come join us!

**At the IEEE-HKN SLC, I met many students who were excited to talk to me about Lockheed Martin, and I will be sending their information and the resume book to our EE hiring managers.**

Recruit Talent and Reach IEEE-HKN’s Exclusive Audience of Top Electrical and Computer Engineers and Computer Scientists

FREQUENCY: Three times per year
READERSHIP: 30,000 of the top engineering students and practitioners

THE BRIDGE, the award-winning digital magazine of IEEE-Eta Kappa Nu, publishes three times a year. It’s a perfect platform to promote your company or university to IEEE-HKN members. Each issue is delivered via email to 30,000 of the top undergrad and graduate students and young and seasoned professionals in the IEEE fields of interest.

We have opportunities for advertorials and ads in the main publication and special opportunities in our Graduate Research Spotlight section.

In addition to the current circulation of THE BRIDGE, IEEE-HKN inducts over 3,000 new top engineering students each year, which increases the ability to impact an important—and ever growing—demographic.

THE BRIDGE is downloadable from the HKN.org website and the IEEE app year-round. (THE BRIDGE is the 2nd most downloaded publication on the IEEE app)

ALL CATEGORIES ALSO INCLUDE:

• A permanent link to your URL on the HKN.org page
• A direct link to your ad in the distribution email

IEEE-HKN is dedicated to encouraging and recognizing academic and professional excellence, impeccable character, and the positive attitude needed to lead and serve others. IEEE-HKN develops promising young professionals into resilient, collaborative, global citizens and is with them through every step of their professional journey. Your university has an opportunity to recruit, interact, and lead the conversation with this select and prestigious audience.

IEEE-HKN inducts only junior and senior undergraduates and Graduate Students at the top of their class and who are on track to graduate with engineering or computer science degrees. In a recent survey, 46% of our students indicated they planned to go to graduate school immediately after or within two years of earning their bachelor's degree. IEEE-HKN has several opportunities to recruit and raise your profile with our stellar students.

### Produce a GradLab Webinar or Blog

**$500 (per session or blog)**

You would be the sponsor and presenter of a webinar or the writer of a blog that offers tips and tricks on how to have an outstanding and fulfilling Graduate School experience. Previous topics include: How to Find a Research Topic, Individual Development Plans, and Surviving Your First Year of Graduate School. You provide the material; we distribute and promote it.

### Sponsor IEEE-HKN’s All-Student Newsletter

**$315-$450 (depending on number of issues)**

Get in front of all the IEEE-HKN outstanding students by sponsoring a monthly newsletter. Your logo with a link of your choosing will be placed near the top of the electronic newsletter, which is distributed to approximately 3,000 students the first Tuesday of every month.

### Advertise in THE BRIDGE

THE BRIDGE, the award-winning digital magazine of IEEE-Eta Kappa Nu, publishes three times a year. It’s a perfect platform to promote your university to IEEE-HKN members. Each issue is delivered via email to 30,000 of the top undergrad and Graduate Students and young and seasoned professionals in the IEEE fields of interest. THE BRIDGE is the second most downloaded publication on the IEEE app. Advertisers are featured on THE BRIDGE page of the HKN.org website.

**Graduate Student Research Spotlight**—$250-$2,272 (depending on size and frequency)

Get your university in front of the IEEE-HKN undergraduate students who are considering their next steps. We have developed the IEEE-HKN Graduate Student Research Spotlight, intended to celebrate and elevate our Graduate Students’ research contributions. Your ad and link would appear among these profiles, capturing the eyes of younger students choosing their paths.

**Main Publication Advertisials and Ads**—$505-$2,622 (depending on size and frequency)

We have opportunities in the main publication for display ads and advertorials (an article of up to 750 words and images provided by you).
