

How to Report Officers Using vTools

A Guide to Reporting Your Chapter Officers

Before you begin the reporting process:

1. Have every officer's IEEE Member number (All officers MUST be Active IEEE members.)
2. Only one individual should report ALL positions for the Chapter during a single submission.
3. Make sure the position titles you fill start with: HKN (See slide 5.)
4. Your chapter may have officers whose titles do not exist in the vTools system (i.e. HKN-Webmaster or HKN-Compliance Officer). Please choose an appropriate title from those available:
 - HKN-Department Head
 - HKN-Faculty Adviser
 - HKN-Chapter President
 - HKN-Chapter Vice President
 - HKN-Chapter Corresponding Secretary
 - HKN-Chapter Recording Secretary
 - HKN-Chapter Treasurer
 - HKN-Chapter Officer (You can add up to three officers using this title.)
5. For any questions, contact info@hkn.org

How to report officers using vTools

The screenshot shows the IEEE vTools website. The browser address bar displays sites.ieee.org/vtools/, which is highlighted with a red box. A yellow callout bubble points to this address bar with the text: "1. Go To: <http://sites.ieee.org/vtools/>".

The website header includes the title "IEEE vTools" and a navigation menu with links for HOME, TOOLS, TUTORIALS, FAQ, BLOG, FEEDBACK, and CONTACT. The "TOOLS" link is highlighted with a green underline.

Below the navigation is a banner image of a diverse group of people. To the left, there is a mission statement icon of crossed wrench and screwdriver, with the text: "Providing tools to the volunteers and staff who support our members." Below this is a search bar labeled "Google Custom Sea" with a magnifying glass icon.

On the left side, there is a "Quick Links" section with a list of links:

- « « vTools eNotice
- « « vTools Events
- « « vTools Officer Reporting (highlighted with a red box)
- « « vTools Student Branch Reporting
- « « vTools Voting
- » Doodle
- » IEEE Events Finder (Android)
- » IEEE Events Finder (iOS)

A yellow callout bubble points to the "vTools Officer Reporting" link with the text: "2. Select: [vTools Officer Reporting](#)".

On the right side, there is an "Overview" section with the following text:

Overview

This IEEE volunteer tools (vtools) site provides information on a wide range of tools developed by volunteers for IEEE members and IEEE volunteers. The toolbox simplifies organizational efforts and administration by offering web-based software in order to reduce time spent on managing local activities and to assist in member development.

Select the TOOLS tab in the navigation bar for up-to-date information on available tools.

Below the overview is a "Video Introduction to IEEE vTools:" section with a video player. The video player is currently black with a white play button icon in the center.
